

Flu Shot Clinic

Many thanks to Walgreens at 3851 4th Street N for providing immunization services for our Flu Shot Clinic on September 22. Store Manager Bill Caushi and Pharmacist Kelly Helsel were on hand in the Pasco Conference Center, immunizing more than 50 health-conscious tenants during the two-hour event. We want you to stay well this flu season!

October is Fire Drill Month

When you hear the alarm, be prepared to evacuate the building quickly and in an orderly fashion. Your cooperation is appreciated.

Courteous Conference Room Usage

The conference rooms at Baypoint have become an increasingly popular amenity with tenants, with many being used daily. If you find you won't need the room you have reserved, please be courteous to your fellow tenants and cancel the reservation so someone else can use the room. When you do use a conference room, please leave it clean and tidy for the next users, and make sure you turn off the lights and lock the door when you leave. And don't forget to return the key to the Management office promptly. Thank you for your consideration.

Catering for a Cause

Why not cater lunch for your office and do a good deed at the same time? Now you can!

From October 2015 to March 2016, **Jersey Mike's Subs** will donate 10% of your catering order proceeds to the **Juvenile Diabetes Research Foundation**. JDRF is the largest nongovernment funder of Type 1 Diabetes research, so whether it's subs, salads or boxed lunches, your catered lunch will help find a cure.

This offer applies to catering orders only, and orders must be placed directly with Jersey Mike's marketing director Kelly Holden at 727-687-0890 or via email to mikesmarketingfl@gmail.com. For more information, contact Carole Brennan at JDRF—727-344-2873.

Please join us in welcoming our new Administrative Assistant, Gurdeep Singh. A St. Pete native, Gurdeep is a recent graduate of Wake Forest, where he earned a BA in Classics and Sociology and served as captain of the men's gymnastic team. His hobbies include reading, competing in marathons and triathlons, eating, and spending quality time with Netflix.

"It's my pleasure to be working with all of you and I look forward to seeing you all around the property."

Gurdeep has already proven to be a valuable addition to the Baypoint management team, and his cheerful personality and eagerness to help make him a great liaison with our tenants.
